WHY CLÍNICA CORACHAN?

✓ Experience

Founded in 1921, Clínica Corachan is **one of the most prestigious clinics in Barcelona**. Located in one of the most exclusive areas of the city, it combines tradition and modernity, guaranteeing maximum excellence in care and personalised treatment.

✓ Avant-garde facilities

The centre, fitted with a state-of-the-art surgical block, an emergency service, 150 extremely comfortable rooms and a top-of-the-range image diagnosis department which is a **pioneer in Europe**, occupies a total surface area of 42,000 m² in which more than **1200 professionals and collaborators** work directly or indirectly.

✓ Prestige

In the 2009, 2017, 2018, 2019, 2020 & 2021 editions, Clínica Corachan obtained the **best clinic in Spain award in the TOP 20** of IASIST in the category of major structure private hospitals, thereby securing its position of excellence and consolidating itself as one of the reference private centres in Spain.

✓ All the medical and surgical specialities

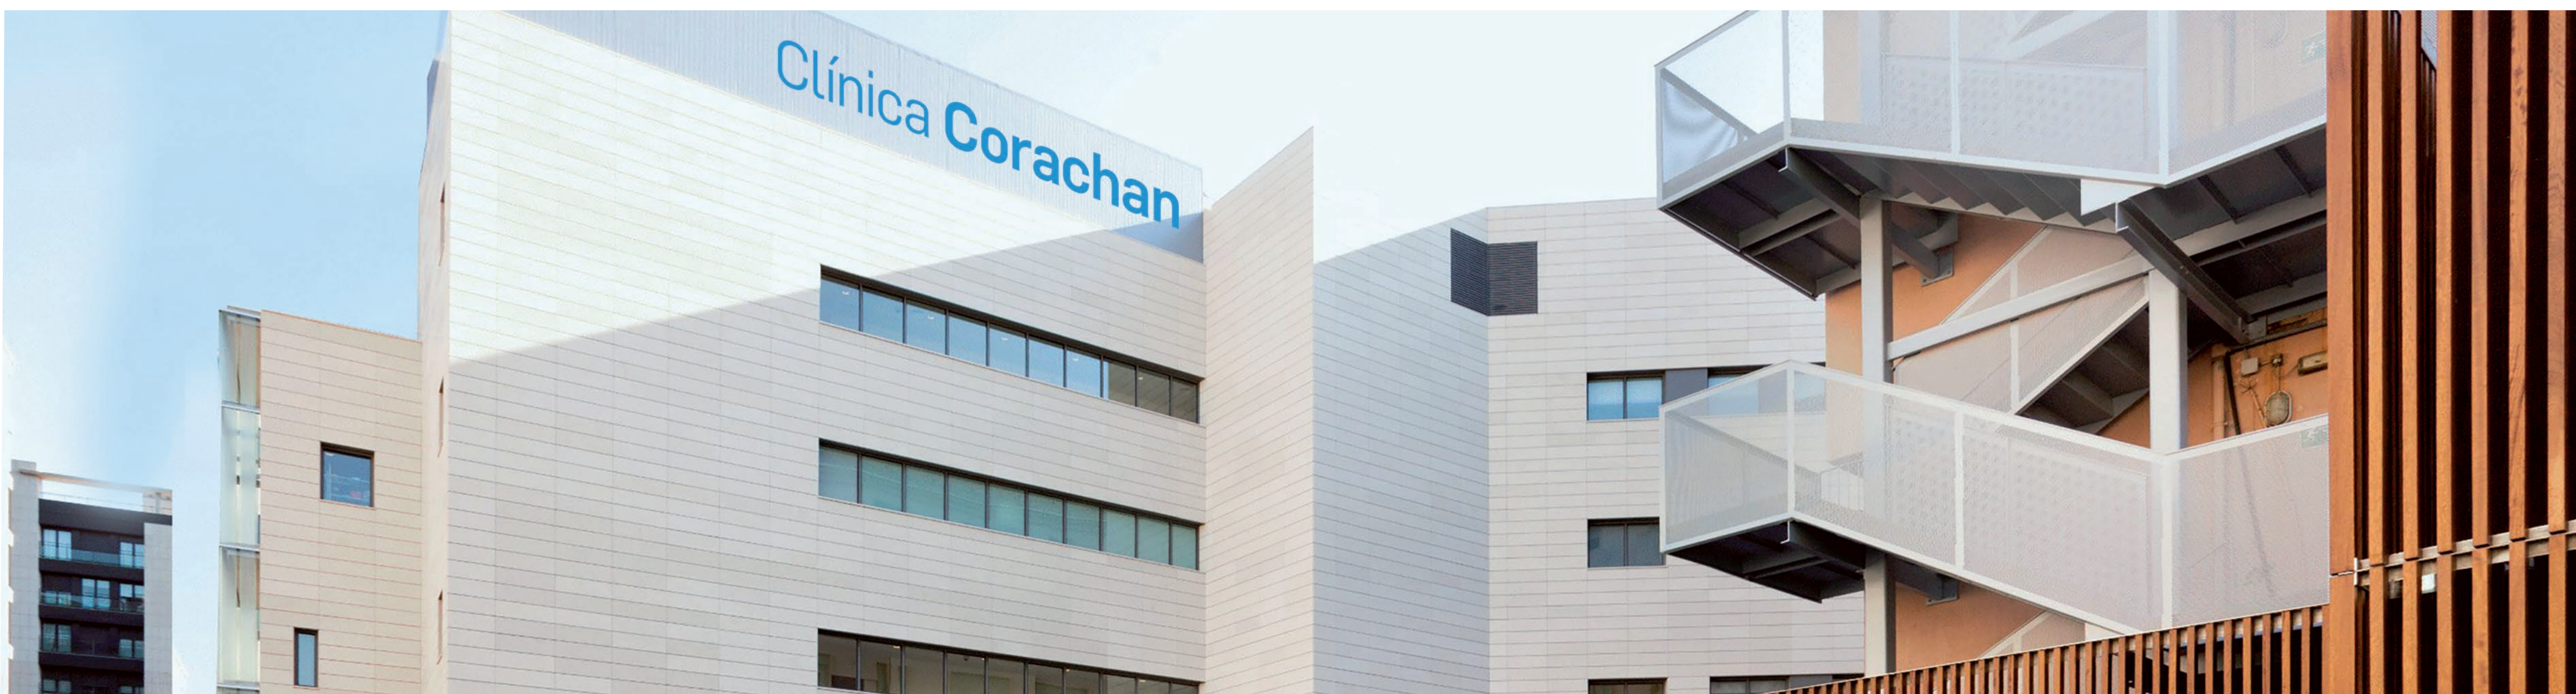

It has all the medical and surgical specialities and enjoys a panel of professionals with coordinated prestige aimed at offering patients the best medical care in a personalised way.

✓ Latest technology

The Clinic has the **latest technology in diagnostic equipment**, such as 3 Tesla MRI or the Elekta Versa HD linear accelerator with state-of-the-art operating theatres in which highly complex interventions are carried out.

✓ Personalised care in your own language

We offer personal, friendly medical care, with a treatment or care plan adapted to the situation of each patient, as well as an interpretation service.

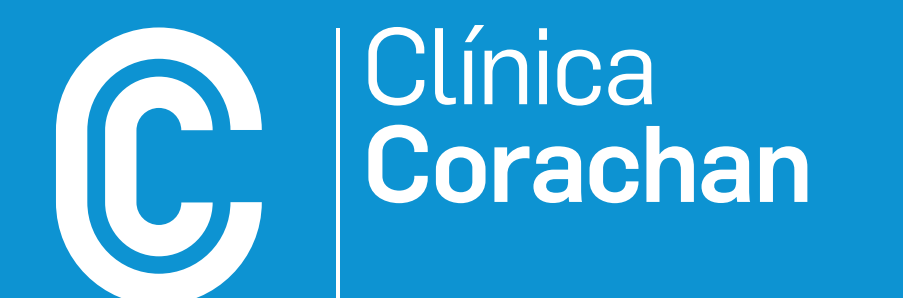

INTERNATIONAL DEPARTMENT EXCLUSIVE SERVICES
